

Balancing the taste in delicacies is a rare form of art that will invite you and lead you to an unforgettable experience.

ABOUT SAMIYA RESTAURANT

Inspired by the Sanskrit philosophy of harmony and balance, Samiya is more than a dining venue, it is a place where refinement, comfort and culture come together. Every detail is designed to create a sense of equilibrium from the flavours on your plate to the atmosphere and the breathtaking views around you.

Serving Pan-Asian cuisine from breakfast to dinner, Samiya presents a menu that celebrates the region's diverse flavours. Each dish is prepared with care, blending traditional roots with modern touches to deliver freshness, artistry and balance in every bite.

With its high ceilings, grand chandeliers and dual spaces, an open-air indoor dining room and the outdoor Samiya Lounge, the restaurant offers both sophistication and warmth. Overlooking Mount Batukaru, Mount Pohen and Mount Shangyang, it provides a dining journey embraced by nature's beauty.

Samiya is also a perfect venue for social gatherings and private events, whether an intimate celebration, a family milestone or a stylish gathering with friends.

At Samiya, every experience is designed to be memorable, an elegant harmony of flavour, setting and soul.

At Samiya, dining is elevated beyond flavours, it is shaped by the warmth of genuine hospitality. Our dedicated team embodies the spirit of Homm Hotels, where Homm is a feeling, a sense of being welcomed, cared for and truly at home. Every interaction is guided by attentiveness and sincerity, ensuring each guest's experience feels personal and heartfelt.

The story of Samiya also reflects the values of sustainability at Banyan Group. There are moments when nature itself becomes part of the menu, seasonal harvests of fruits, vegetables, herbs and even rice from the surrounding fields are thoughtfully brought into our kitchen. These ingredients, fresh from the land, are crafted into dishes that celebrate both authenticity and responsibility.

In this way, Samiya is more than a restaurant. It is a place where hospitality, sustainability and culinary artistry come together, an experience that nourishes the senses while honouring people, place and planet.

BREAKFAST & LUNCHEON

BATURITI AFTERNOON TEA

In Bali, the afternoon carries a gentle rhythm, an unhurried moment between day and night, when conversations flow as easily as the mountain breeze. At Samiya Restaurant or Café Toya, we embrace this cherished tradition with an Afternoon Tea experience inspired by Balinese flavours.

Our selection of cakes is crafted from carefully chosen ingredients, some freshly picked from the Homm Garden. Each bite reflects authenticity and heritage, honouring recipes passed down through generations while presented with contemporary elegance. These delicate treats are thoughtfully paired with your choice of fine teas and freshly brewed coffee or with our signature Red Rice Tea, a distinctive infusion that pays homage to the island's fertile highlands.

Perfectly suited to savour in the late afternoon, this experience is both comforting and refined, a celebration of Balinese flavours reimagined for today's discerning traveller. More than a ritual of taste, it is an invitation to pause, connect and embrace the beauty of the moment.
